Overview

Scrum Developer Certified (SDC™) is an entry level certification for Scrum Team members and those who interact with any Scrum Team. The objective of this certification is to ensure that Scrum Team members know enough about Scrum to effectively contribute to a Scrum project.

Successful candidates will be awarded the Scrum Developer Certified (SDC™) certification by SCRUMstudy after passing the certification exam.

Certification

Applicants will be awarded the Scrum Developer Certified (SDC™) certificate by SCRUMstudy upon successfully passing the certification exam, which is a 1.5 hour online multiple choice exam. Exams are administered by SCRUMstudy and Need to schedule the exam in advance using the membership account or taken at a time convenient to you. The cost of exam is included in the course fee (2 free re-takes included)

Who should attend?

This certification course is suitable for everyone in a company who works in a Scrum Team or anyone who interacts with any Scrum Team. This will also be very useful for those who are interested in understanding the basics of Scrum and how this method could be used effectively.

Prerequisite

There is no formal prerequisite for this certification. However, it is recommended that you undertake the FREE Scrum Fundamental Certified (SFC™) Course to better understand the basics required for SDC™ certification exam.

Expected Learning Outcomes

- Participants will become familiar with the concepts, advantages, and challenges of the Scrum methodology.
- Participants will be equipped with the knowledge needed to effectively contribute to a Scrum project.
- Participants will be able to effectively interact with any Scrum Team
